

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

MARINO SCAFIDI,
Plaintiff,

VS.

LAS VEGAS METROPOLITAN POLICE
DEPARTMENT et al.,
Defendants.

2:14-cv-01933-RCJ-GWF

ORDER

After a state district court dismissed criminal charges against him, Plaintiff sued defendants in state court for federal civil rights violations and various state law torts based on prosecution. Defendants removed. One Defendant moved to dismiss, and another moved for summary judgment. While those motions were pending, the Court granted a stipulation to stay the case pending the Nevada Supreme Court's resolution of the State's appeal of the dismissal of the underlying criminal action. The Nevada Supreme Court has since reversed the state district court's dismissal of the criminal information against Plaintiff and remanded for further proceedings. Briefing on a reexamination of the dismissal motion is scheduled in the state court for July 24, 2015. Regardless of whether the state district court grants or denies the motion, however, there will likely be a further appeal (or mandamus action) and/or a trial by an appeal. The parties therefore request an indefinite stay until the criminal proceedings are finalized.
